Summary

An aspiring Computer Science student with specialization in Artificial Intelligence, seeking a software development role to apply my skills in Java and Python. Eager to contribute to innovative projects while supporting the company's growth and my personal development.

Education

Bachelor of Technology - Artificial Intelligence Anurag University, Hyderabad	2022-Present
State Board of Telangana - Class XII Urbane Junior College, Hyderabad	2020-2022
CBSE - Class X St. Peter's Model School, Hyderabad	2019-2020

Skills

Programming Languages: Python, Java, C

Web development: HTML, CSS, JavaScript

Frameworks & Libraries: NumPy, Pandas, Scikit-learn, PyTorch Matplotlib

Development Tools: VS Code, PyCharm, Eclipse, Jupyter Notebook, Google Colab, Git & GitHub

Databases & Querying: MySQL, MongoDB

Cloud & Deployment: AWS, Streamlit, Render

Projects

Resume Reviewer (Python, Streamlit)

- Built a website to analyze and score resumes using NLP techniques (Regex).
- Implemented keyword extraction, document parsing and scoring to show strengths and weaknesses in the resume with suggestions and feedback.
- Deployed the application on Streamlit.

Marine Oil Spill Detection (Python, PyTorch, Satellite SAR Data)

- Developed a SegNet based model for marine oil spill detection using SAR satellite data (PALSAR, Sentinel-1).
- Generated segmentation masks from SAR images to detect oil spills in oceans and seas.
- Achieved 94.85% detection accuracy and reduced false positives by ~64% in SAR-based oil spill segmentation.

Real-Time Collaborative Markdown Editor (JavaScript, MongoDB)

- Built a collaborative Markdown editor enabling multiple users to edit documents in real time and MongoDB for document storage.
- Implemented live Markdown preview and syntax highlighting for code.

Achievements and Certificates

- Network Security Associate Virtual Internship - Fortinet
- Fundamentals of Java - Scaler
- Python Essentials - Cisco Networking Academy
- Data Analysis with Python - IBM SkillsBuild
- AWS Academy Cloud Foundations - Amazon Web Services
